

Call for Papers

The NordPac Conference 2022

June 12 – 14 at Chalmers University of Technology, Gothenburg, Sweden
Jointly arranged by IMAPS Nordic and IEEE EPS Nordic

We are proud to announce that the 2022 NordPac conference will be held in Sweden. The event brand NordPac was introduced in Gothenburg in 2017 as a collaboration between IMAPS Nordic and IEEE Electronics Packaging Society (EPS) Nordic. The conference will take place at Chalmers University of Technology, Gothenburg.

You are welcome to submit an abstract and suggestion for a paper to the NordPac Conference 2022. For instructions on how to submit your abstract, please see <http://nordpac.org>. The deadline for abstract submission is **Tuesday 1st March 2022**.

The deadline for the final paper will be in Sunday May 22nd, 2022, but **if you want your paper to be reviewed, the deadline is Sunday May 1st**. Late papers are not published.

Reviewed papers will be published in IEEE-Xplore with a licence to publish. The Licence allows the author to retain the copyright for the work and can publish it six months after the work has been published in IEEE-Xplore (<http://ieeexplore.ieee.org/>).

The five best reviewed papers will also be published in IMAPS North America IMAPSource, and <http://www.imapsource.org>.

Proposed topics of microelectronics and packaging include:

Optoelectronics	Harsh environment Applications
Advanced Packaging	Electronics Reliability & Quality
Materials & Processes	Medical electronics
Power electronics	Wearable electronics
Green Technologies	Printed electronics
Advanced packaging for MEMS & sensors & sensor systems	

For the latest information about the conference and the exhibition, visit our homepage at <http://nordpac.org/> or email to info@nordpac.org.
