

Call for Exhibitors and Sponsors

NordPac 2023

Microelectronics Packaging Conference and Exhibition

You are invited to exhibit at the **IMAPS Nordic & IEEE EPS** Nordic Conference on Microelectronics Packaging and Exhibition (NordPac) to be held

13th to 14th of June 2023, Toppcenteret at Oslo Science Park, Oslo, Norway

NordPac provides a perfect opportunity to present the latest news and developments in the field of state-of-the-art and future trends in **microelectronics components, packaging, integration, and manufacturing technologies** at the Nordic, European and international scale. The exhibition which is integrated with the technical program enables direct on-site commercial interaction with all participants. In addition, local technology start-ups situated in StartupLab Oslo will be invited to attend the exhibition and exhibitors' presentations for free, providing you with the opportunity to expand your client horizon.
